Mr. H. Weisberg, "Congratulations!"... On your new book! Thank you for the gratis copy. I will read it over cover-to-cover. I will critique it much later, noting all problems or anomalies. Am very confident it is a powerful book -- because much truth is on your side! Truth is a powerful weapon. Truth did in Nixon, and may also do in Clinton (?). We will wait and see. All will be revealed. Ditto J. F. K!
